PHOTOGRAPH AND MEMORIE'S

1975

Dedication

We are dedicating the 1975 annual to Mr. and Mrs. John F. Ibeling for their time and effort they have given to us these past few years. We, the students of W.H.S. would like to show our appreciation throughout this dedication and feel that we are best expressed with this poem.

This world's a little brighter
And a whole lot happier, too
Because of folks as thoughtful
And as wonderful as you
Who live each day unselfishly
With others' cares in mind
Concerned about what they can give
And not what they can find. . .

And those whose paths have crossed with yours
Would certainly agree
You're sure the nicest people
That this world will ever see.
